STEPS FOR DOMINICA CITIZENSHIP

Dominica citizenship by investment program is one of the oldest and easiest programs. Clear steps and the absence of long waiting make it attractive for investors. On July 19th 2023, Dominican government announced they would conduct mandatory interview for all applicants over 16 years old. Interview can be done personally or online and is considered as part of Due diligence process.

01

Prepare all the necessary documents such as criminal record, and medical certificate from your side. If you invest in real estate, you need to present a sale agreement with a developer approved by the government.

02

Submit the application. First Due Diligence is made by Government, then authorities make a decision. After you get the approval you need to finalize your investment and provide proof of payment.

03

Time might be different in the case of real estate investment. After final approval, Citizenship Certificates and passports of Dominica are issued. It is a completely remote procedure.

PROSESSING TIME 3-4 MONTHS
