Citizenship is transferable to future generations.

# STEPS FOR GRENADA CITIZENSHIP

Grenada citizenship by investment Program is one of the easiest and most transparent. Clear steps and the absence of long waiting make it attractive for investors. Invest Citizenship will recommend you lawyers or advisors with great experience who will guide you and support you until you will receive your passport.

01

Prepare all the necessary documents such as a criminal records, a medical certificates from your side. If you invest in real estate, you need to present a sale agreement with a developer approved by the government.

02

Submit the application. After checking by the bank and Government, you will receive a letter of approval. After approval, you need to finalize your investment and provide proof of payment.

03

Time might be different in the case of real estate investment. After final approval, you will get a Certificate of Registration for obtaining a passport of Grenada. It is a completely remote procedure.

**PROSESSING TIME 3-4 MONTHS**
